

Reclamation District No. 1004

February 1, 2025

To all Landowners and Tenants:

We are looking forward to a new and prosperous planting season. In preparing for the new season, Reclamation District 1004 will require the following **before** water will be released:

- USBR RRA Form – those who submitted full RRA forms in 2023 or 2024 may use the Verify forms for 2025 (Form 7-21VERIFY 2025). If this is your first RRA form with RD1004, you will be required to submit the full RRA form. You may obtain the current RRA forms on the Bureau of Reclamation website (www.usbr.gov/rra) or our office.
- New water application using current FSA acreage signed by landowners and tenants (if you have questions regarding your FSA acreage, please call our office)
- Full water deposit
- Admin/Standby fees paid in full (invoices will be mailed in February)

The Board of Trustees have approved the following charges for 2025:

- Water toll - \$18.00 per acre foot
- Admin/Standby fee - \$22.50 per acre
- Unit duty will be 5 a/f for **all water** taken March – September, regardless of crop type and 3 a/f for **all water** taken October – January, regardless of crop type
- Water deposits can be carried over from one water season to the next

If you have any questions, please call Terry at 530-682-9796 or Barbie at 530-458-7459.

Respectfully,

A handwritten signature in black ink that reads "Terry Bressler". The signature is written in a cursive style.

Terry Bressler
District Manager
Reclamation District No. 1004
